**6.2.2 Implementation of e-governance in areas of operation**

The Vaagdevi Institute of Pharmaceutical Sciences College of pharmacy is implementing the e-governance in following areas of operation

1. Administration,
2. Finance and Accounts,
3. Student Admission and Support,
4. Examination

**1. Implementation of e-governance in areas of Administration**

a) Organizing and Creating Personal emails are used by the institute to employ ICT in the process of preparing college events and activities. Emails are another way that important information and notices are distributed.

b) College employees connect via smart phones with social media apps like Gmail.

c) A WhatsApp group can assist in disseminating short notifications of any upcoming campus events. WhatsApp can assist with the following classes: Additionally, a lot of kids reach out to the concerned instructor directly on their phones. Staff, students, and others have convenient access to important information.

d) Students can use these email addresses to send electronic copies of their assignments. Additionally, instructors have the ability to distribute study materials to students' email addresses via WhatsApp groups or personal emails.

**2. Implementation of e-governance in areas of operation Finance and Accounts**

Employee salaries are paid digitally through banks. Major payments are never made using the cash system or offline methods. Only students use cash, a UPI, or online payment methods to pay their admission costs. Every scholarship is funded via the DBT online system. Students must have their account number connected to their Aadhaar and cell phone numbers in order to be eligible for scholarships.

**3. Implementation of e-governance in areas of operation Student Admission and Support**

The university decides on the admissions procedure. If admissions are handled online, students must apply online in order to be admitted. The application must come in person to the location of their choice for admission because the system is centralized. The admissions merit list is available on the college website. The college issues books in the library through a methodical software technique as well.

### 4 Implementation of e-governance in areas of operation Examination

The University conducts examinations for both semester and annual credit. College fulfils its guidelines to the letter. The examination paper for the 2019–2020 Covid-19 illness period was posted on the college website to assist students in preparing for their exams. The university also provided instruction on this. The software updates each and every internal and exterior mark.
