6.2.2 Implementation of e-governance in areas of operation

The Vaagdevi Institute of Pharmaceutical Sciences College of pharmacy is implementing the e-governance in following areas of operation

1. Administration,
2. Finance and Accounts,
3. Student Admission and Support,
4. Examination

1. Implementation of e-governance in areas of Administration

a) Organizing and Creating Personal emails are used by the institute to employ ICT in the process of preparing college events and activities. Emails are another way that important information and notices are distributed.

b) College employees connect via smart phones with social media apps like Gmail.

c) A WhatsApp group can assist in disseminating short notifications of any upcoming campus events. WhatsApp can assist with the following classes: Additionally, a lot of kids reach out to the concerned instructor directly on their phones. Staff, students, and others have convenient access to important information.

d) Students can use these email addresses to send electronic copies of their assignments. Additionally, instructors have the ability to distribute study materials to students' email addresses via WhatsApp groups or personal emails.

2. Implementation of e-governance in areas of operation Finance and Accounts

Employee salaries are paid digitally through banks. Major payments are never made using the cash system or offline methods. Only students use cash, a UPI, or online payment methods to pay their admission costs. Every scholarship is funded via the DBT online system. Students must have their account number connected to their Aadhaar and cell phone numbers in order to be eligible for scholarships.

3. Implementation of e-governance in areas of operation Student Admission and Support

The university decides on the admissions procedure. If admissions are handled online, students must apply online in order to be admitted. The application must come in person to the location of their choice for admission because the system is centralized. The admissions merit list is available on the college website. The college issues books in the library through a methodical software technique as well.

The screenshot shows the 'Students' management page in the CAMPX system. The interface includes a sidebar with navigation options like 'Org. Settings', 'Academics', 'Courses', 'Students', 'All Students', 'Manage Users', 'People', 'Data Imports', and 'Data Exports'. The main content area displays a table of students with columns for Roll No, Name, Gender, Mobile, Program Code, Sem No, Batch, Classroom, Detained, and Actions. A search bar and filter options for Batch, Degree, Program, and Status are also visible.
